Title The 7th Korea International Youth Olympiad (KIYO 4i 2022) Request for participation

1. I wish your embassy for the endless development.

The World Women Inventors and Entrepreneurs Association (President : Han Mi-young) held the 7th Korea International Youth Olympiad (KIYO 4i 2022) online & offline from August 11th to 13th.

The KIYO (Korea International Youth Olympiad) 4i, which has been held annually since 2016, is growing as the only international contest related to youth's creativity hosted by Korea. Under the COVID-19 situation, last year's contest was held on online basis, but total 443 students (overseas 113 students) participated and showed off their talents. It was a festival for the global youth knowledge.

3 We hope many students will participate in KIYO 4i so that your country's students can show off their talents. Therefore, we ask for your cooperation. Please promote and guide this contest to your country.
